**Revenue**  
\$818,255

### Financials

**Volunteers** Family Promise could not exist without our partner congregations. During “normal” years, every evening, our van takes the families to a host congregation where they are warmly greeted by volunteers and each family is shown to a private sleeping area complete with the comforts of home. Guests and volunteers sit down to share a home-cooked meal and fellowship. Volunteers help with homework, play games with and read to the children. Two volunteers serve as overnight hosts and, each morning, prepare and serve breakfast. Guests make bag lunches for their families for the day. Each congregation hosts families for one week at a time, 2-4 times per year.

Of course 2021 was not such a year. Due to Covid restraints, our guest families were housed in hotel rooms. Even so, many volunteers from our host congregations stepped up and provided meals and other types of support for our families. As we move into 2022 we are hopeful to return to the “rotational model” described above.

*I want to extend my gratitude for assisting my client (AJ) with her rent and utilities. Your help will keep this family in their home while AJ searches for a new job. The impact you've made will not be forgotten." ~Butler County Success School Liaison*
